Dear Sir:

In response to the Restriction Requirement dated August 8, 2005, please consider the following remarks.

REMARKS/ARGUMENTS

Pursuant to 35 USC 121, the Examiner says that restriction to one of the following inventions is required:

- I. Claims 1-13, drawn to a reflector, classified in class 362, subclass 348.
- II. Claims 14-33, drawn to a luminaire having a reflector, classified in class 362, subclass 297.

Applicants have provisionally elected without traverse to prosecute the invention of Group I, Claims 1-13. The Examiner has withdrawn Claims 14-33 from consideration.
